Is there anything else that we can help you with for better health?

Knox Rehab Clinic strive to be Dunedin’s #1 healthcare provider.
We offer Chiropractic, Osteopathy, Massage and Acupuncture.

**Informed consent and clinic policies**

As a patient, you have the right to be informed about your health condition(s) and recommended treatments. The practitioners at Knox Rehab Clinic will discuss the potential benefits, risks and hazards involved. After signing this consent form, you may withdraw consent at any time.

Even the gentlest of therapies can potentially have side effects. Hence, the information you provide must be complete and inclusive of all health concerns and medications, including over the counter medications, supplements and herbs.

It is common to experience mild post treatment soreness within 24-48 hours of treatment. The serious side effects associated with spinal manipulation to the neck region are as low as 1 in 1.3 million manipulations and 1 in 10 million with low back manipulation.

Payment is expected at the time of treatment. Any overdue credit accounts will be subject to late payment fees and any collection or legal costs incurred in debt recovery. We enforce a missed appointment fee after two missed appointments without notice.
